

New Zealand Brain Research Institute

Journal papers

Pearson, J. F., Alla, S., Clarke, G., Mason, D. F., Anderson, T., Richardson, A., Miller, D. H., Sabel, C. E., Abernethy, D. A., Willoughby, E. W., & Taylor, B. V. (2017). **Multiple sclerosis impact on employment and income in New Zealand.** *Acta Neurologica Scandinavica*. Advance online publication. doi: [10.1111/ane.12714](https://doi.org/10.1111/ane.12714)

Alla, S., Pearson, J. F., Taylor, B. V., Roxburgh, R., Clarke, G., Miller, D. H., Richardson, A., Abernethy, D. A., Willoughby, E., Sabel, C. E., Mason, D. F. (2016). **An investigation of the relationship between latitude and multiple sclerosis severity in New Zealand.** *Multiple Sclerosis Journal*, 22(5), 705-707. doi: [10.1177/1352458515605909](https://doi.org/10.1177/1352458515605909)

Alla, S., Pearson, J. F., Taylor, B. V., Miller, D. H., Clarke, G., Richardson, A., Willoughby, E., Abernethy, D. A., Sabel, C. E., & Mason, D. F. (2016). **Disability profile of multiple sclerosis in New Zealand.** *Journal of Clinical Neuroscience*, 28, 97-101. doi: [10.1016/j.jocn.2015.09.020](https://doi.org/10.1016/j.jocn.2015.09.020)

Debernard, L., Melzer, T. R., Alla, S., Eagle, J., Van Stockum, S., Graham, C., Osborne, J. R., Dalrymple-Alford, J. C., Miller, D. H., & Mason, D. F. (2015). **Deep grey matter MRI abnormalities and cognitive function in relapsing-remitting multiple sclerosis.** *Psychiatry Research: Neuroimaging*, 234(3), 352-361. doi: [10.1016/j.psychresns.2015.10.004](https://doi.org/10.1016/j.psychresns.2015.10.004)

Alla, S., & Mason, D. F. (2014). **Multiple sclerosis in New Zealand.** *Journal of Clinical Neuroscience*, 21(8), 1288-1291. doi: [10.1016/j.jocn.2013.09.009](https://doi.org/10.1016/j.jocn.2013.09.009)

Alla, S., Pearson, J., Debernard, L., Miller, D., & Mason, D. (2014). **The increasing prevalence of multiple sclerosis in New Zealand.** *Neuroepidemiology*, 42(3), 154-160. doi: [10.1159/000358174](https://doi.org/10.1159/000358174)

Pearson, J. F., Alla, S., Clarke, G., Taylor, B. V., Miller, D. H., Richardson, A., & Mason, D. F. (2014). **Multiple sclerosis in New Zealand Māori.** *Multiple Sclerosis Journal*, 20(14), 1892-1895. doi: [10.1177/1352458514535130](https://doi.org/10.1177/1352458514535130)

Published Abstracts of Conference Presentations

Mason, D., Pearson, J., Richardson, A., and Alla, S. (2016). **New Zealand nation-wide population-based multiple sclerosis incidence study shows increasing north-south latitude gradient** (poster 1.399). *Neurology*, 86(16 Supplement)

Alla, S., Pearson, J. F., Taylor, B. V., Miller, D. H., Richardson, A., Clarke, G., Abernethy, D., Willoughby, E., Sabel, C.E., Mason, D. F. (2015). **Age has an effect on disability independent of age at onset of symptoms and disease duration.** *Multiple Sclerosis Journal*, 23(11, Suppl.), (p. 397-398). doi: [10.1177/1352458515602642](https://doi.org/10.1177/1352458515602642)

Alla, S., Pearson, J. F., Clarke, G., Mason, D. F., Miller, D. H., Richardson, A., Anderson, T., Abernethy, D., Willoughby, E., Sabel, C.E., Taylor, B. V. (2015). **Employment among persons with multiple sclerosis in New Zealand.** *Multiple Sclerosis Journal*, 23(11, Suppl.), (p. 419). doi: [10.1177/1352458515602642](https://doi.org/10.1177/1352458515602642)
