

# OCEANS OF HOPE CHALLENGE

## NEW ZEALAND 2019

WINNER OF BEST CRUISE 2017, SAILING TODAY MAGAZINE

**MONDAY 2ND DECEMBER – FRIDAY 6TH DECEMBER 2019**

Our aim is to bring people living with MS together for our most challenging sailing event so far. Whether you have sailed before or not, this is an opportunity not to be missed! We aim to overcome some of the challenges of MS, recapture identity, share experiences, make friends and work together. We will explore the beautiful bays and islands of the North Island crewed by people living with MS.

Inspired by his life changing adventure as part of the circumnavigation made by *Oceans of Hope*, a boat crewed by people living with MS; Robert Munns wants to allow others with MS to have life enhancing sailing adventures too.

After the success of award-winning events in 2016, 2017 and 2018 and from our first event in New Zealand on board Spirit of New Zealand we are very proud to be sailing with New Zealand Sailing Trust on board the world beating Steinlager2 and the Sydney to Hobart winning yacht Lion New Zealand.

*“Explore, Discover and Challenge Yourself”*
