AN 8-DAY OUTWARD BOUND COURSE FOR THOSE WITH PHYSICAL DISABILITIES

Activate is an adapted course to enable those aged 18+ with a physical disability to experience the challenge and adventure of an Outward Bound course.

This course is designed to assist students to test their boundaries, break physical preconceptions and build confidence.

During your 8 day course in the beautiful Marlborough Sounds you'll take part in challenges to help you build the tools to achieve whatever goals you set for yourself in everyday life. Activities include rafting, sailing, high ropes, camping and more!

PARTICIPANTS

Eleven participants who have a physical disability are accompanied by 3 support workers and 3 Outward Bound instructors.

Past participants have included those with multiple sclerosis, muscular dystrophy, arthritis and amputees. All participants should be able to independently manage their personal care, transfers and medication.

We are able to offer 2 places to wheelchair users and 1 place for person with visual impairment. Please refer to FAQs on our website for further student entry criteria.

FUNDING

We have a range of funding opportunities available. Get in touch with our Enrolments team to discuss your options.
