

Vision

A world without Multiple Sclerosis

Mission

Working with member organisations to meet the needs of people with Multiple Sclerosis, their families and carers through national leadership, advocacy, communication, and national and international collaboration.

Values

Multiple Sclerosis New Zealand endeavours to deliver its services with understanding, collaboration, clarity, purpose and trust.

Aims and Objectives

How we work together:

- Build MSNZs capacity to support regional accountability and sustainability

Communication:

- Develop tools to optimise communications with regional societies ensuring accurate and current information is available
- Strengthen the communication capability of the regional Clusters

Advocacy:

- National voice for people impacted by Multiple Sclerosis
- Seek meaningful engagement and input on the needs of the MS Community to establish advocacy priorities
- Work with other Multiple Sclerosis organisations on leadership and advocacy opportunities
- Seek out opportunities to work with other organisations on key priorities for the benefit of MSNZs priorities

Awareness:

- Raise awareness nationally for Multiple Sclerosis as a chronic condition affecting New Zealanders and highlighting the needs of those impacted by the condition

Leadership:

- Provide leadership to model best practice to improve outcomes for people with Multiple Sclerosis
- Work collaboratively with relevant partners to identify and develop tools to support self-management of Multiple Sclerosis
- Model effective leadership in Governance
- Strengthen leadership capabilities through deliberate focus and role clarity

Sustainability:

- Develop a succession plan
- Develop and sustain funding ratios appropriate to the organisation
- Ensuring organisational preparedness and having the scope to change
- Develop a risk mitigation plan for responding to crisis
- Explore opportunities for alternative sources of revenue generation
